Frequently Asked Questions

How do I sign up for Pay As We Play?

By signing up for one of the available renewal payment options, you are eligible for the Pay As We Play option for the 2008 Stanley Cup Playoffs.

What if I do not wish to renew at this time, but would like to purchase 2008 Stanley Cup Playoff tickets?

In order to participate in our Pay As We Play program, you must be enrolled in one of the available payment options for the 2008-09 season. This will also reserve your seats for the 2008-09 season. If you do not wish to renew your plan at this time, you may pay in full for your 2008 Stanley Cup Playoff tickets.

What forms of payment will be accepted for Power Pay and Pay As We Play?

We accept all major credit cards.

Do I have to use the same credit card for both Power Pay and Pay As We Play?

Yes. We will automatically charge the credit card we have on file for PowerPay on or about the 15th of each month. At the end of each playoff round, the same card will be charged for any home games played during that round.

My Power Pay Plan does not finish until April 2008. Will I have to make two payments in April, one payment for my 2007-08 tickets and also start paying for my 2008-09 season tickets?

Yes. There will be some overlap in the payment plan process. Once we receive your payment information for the 2008-09 season we will charge your card for that payment.

Can I make my first payment on-line?

Yes. Log on to your account, using the account and pin number provided on your invoice. Log on to the Caps website and click the Online Account Manager link to view your current invoice, select your payment method, and make your payment.

If I share my account with someone, can we purchase additional playoff seats using Pay As We Play, as well as our regular seat?

No. Additional 2008 Stanley Cup Playoff Packages, above the number of regular seats you have on your account, are available to our planholders at a special discounted rate. All additional ticket packages must be paid in full at the time of the order. Please use the enclosed order form to order additional 2008 Stanley Cup Playoff Packages.

Can I buy additional individual playoff tickets through the

Capitals?

Yes. You will be able to purchase individual game tickets before the general public via a pre-sale offer. These individual game tickets will only be offered at the 2008 Stanley Cup Playoff gate prices.

Can I wait until I know the dates, times and opponents for the playoffs before I renew?

In order to reserve your 2008 Stanley Cup Playoff Package and your 2008-09 season seat location, all renewals must be received by **March 21, 2008**. If your renewal is received after the deadline, we will be unable to offer you the special pricing and seat advantages.

When will my playoff tickets be mailed?

Playoff tickets will be mailed to the address on your account via a designated mail carrier no earlier than April 5, 2008 but prior to the first playoff game. More details will follow as we approach the playoffs.

What if I do not want to purchase playoff tickets?

We hope you will join us for the excitement of Capitals playoff hockey, however you may choose to only renew your Capitals account for the 2008-09 season at this time.

What happens if I decide to pay off the balance of my season tickets before the end of my Power Pay cycle?

Your account will be updated to show "paid in full" and your Power Pay installments will end.

Can I use multiple cards for my Power Pay payments?

No, we need one consistent credit card for payments.

What happens if I miss a payment or my card is declined?

Payments are automated through your credit card. If a problem arises concerning your payment, you will be contacted by the Washington Capitals to provide a valid card. If you are unable to arrange for regular monthly installments, you will be removed from Power Pay.
